Our clients always come first

We provide comprehensive advice, with an innovative approach and commercial focus targeted at adding value.

We stand out for our responsive and collaborative work, partner-involvement and a team of dynamic and committed associates.

Our Practice

We provide strategic legal advice on Public Law matters, including:

- Public procurement processes before the National Government, the provinces, the City of Buenos Aires, and other entities, agencies or state-owned companies. Our services include assistance with bidding rules, offer preparation, challenges to competing bids, and contract execution (including compliance with conditions precedent).
- Public works and infrastructure contracts, including concessions, public utilities, eminent domain projects, supply or leasing agreements, and other public-private partnership (PPP) structures.
- Administrative proceedings and public law filings, including claims, appeals, and related procedures.
