Our clients always come first

We provide comprehensive advice, with an innovative approach and commercial focus targeted at adding value.

We stand out for our responsive and collaborative work, partner-involvement and a team of dynamic and committed associates.

Our Practice

We advise and represent our clients in the resolution of complex disputes. Our practice is distinguished by a solid track record in cases involving significant economic complexity, with a strategic and technical approach to the defense of our clients' interests.

Our experience includes, among others, the following matters:

- Commercial and financial litigation
- Energy, infrastructure, and environmental disputes
- Domestic and international arbitration
- Proceedings involving foreign exchange criminal law, capital markets, the Central Bank, AML/CTF, and trade regulation
- Class actions and collective proceedings
- Corporate and shareholder disputes, as well as succession matters
- Public law disputes
- Restructurings and insolvency proceedings
- Antitrust and competition disputes
- Expert testimony on Argentine law in international proceedings

Team Leaders

Mariano Rovelli
Partner

With more than 30 years of experience in complex litigation, his practice focuses on dispute resolution in the banking, financial, energy, and construction sectors. He has been recognized by international publications such as Chambers Latin America for his outstanding work in dispute resolution.

Eugenia Pracchia
Partner

She has 20 years of experience in complex litigation and arbitration across a wide range of industries. She also brings solid expertise in financial, foreign exchange, capital markets, and AML/CTF regulation, which enables her to integrate the regulatory dimension into dispute resolution strategies. Her professional background includes work at leading law firms and serving as Advisor to the Board of the Central Bank of Argentina (2015–2019).

Our Identity

Tavarone Rovelli Salim Miani

Service

We are always available to support our clients with tailor-made solutions with a focus on their business.

Expertise and global perspective

We are experts in our areas of practice and have a detailed knowledge of the local market.
Our outlook is global and adapted to international legal markets with excellent collaborative relationships with worldwide Law Firms.

Quality

The depth of our analysis and our grasp of the issues allow us to successfully overcome the challenges that may always arise when dealing with legal matters.

Great Place to Work

Building a work environment that continuously adapts to current challenges and events is an essential part of our identity. Our goal is to promote the personal and professional development of the members of our team.

The **Great Place to Work®** certification is a distinction that fills us with pride because it's the result of our team's opinions, which highlighted values such as integrity, communication, community, hospitality and competence.
