# Our Identity

Tavarone Rovelli Salim Miani

## Service

We are always available to support our clients with tailor-made solutions with a focus on their business.

## Expertise and global perspective

We are experts in our areas of practice and have a detailed knowledge of the local market. Our outlook is global and adapted to international legal markets with excellent collaborative relationships with worldwide Law Firms.

## Quality

The depth of our analysis and our grasp of the issues allow us to successfully overcome the challenges that may always arise when dealing with legal matters.

# Pro Bono

---

We are committed to allocating time to working for individuals, NGOs, and other public welfare institutions.

We assign tasks among our team members according to their seniority and specialty, and we consider their involvement in such tasks as part of their professional careers within our Firm.

We handle each case with full awareness that our contribution improves access to legal services.

# Great Place to Work

---

Building a work environment that continuously adapts to current challenges and events is an essential part of our identity. Our goal is to promote the personal and professional development of the members of our team.

The **Great Place to Work®** certification is a distinction that fills us with pride because it's the result of our team's opinions, which highlighted values such as integrity, communication, community, hospitality and competence.
